

Recent legislative changes to the Corporations Act 2001 (Cth) mean there are new options available to Metals Australia Ltd shareholders as to how you receive communications from Metals Australia Ltd.

Metals Australia Ltd will no longer be sending physical meeting documents unless you request a copy to be posted.

Metals Australia Ltd encourages all shareholders to provide an email address so we can communicate with you electronically when shareholder notices become available online, for items such as meeting documents and annual reports.

Shareholders can still elect to receive some or all of their communications in physical or electronic form, or elect not to receive certain documents such as annual reports. To review your communications preferences, or sign up to receive your shareholder communications via email, please update your details at
